Jeep Driver Injured In Crossing Smashup

2 Others Are Hurt In Second Mishap

Edmonton district's third railway level-crossing smashup in two days sent a city jeep driver to hospital with badly mangled legs late Wednesday night. The accident occurred at 9:28 p.m.

In another city accident, an auto and oil tanker piled up at 97 street and Jasper sending two men to hospital with fractures and multiple injuries.

Woolies Are Right Garb These Days

If you are already wearing winter clothes, you are right in step with the weather. Although not supposed to move into these parts officially until Dec. 1, Old Man Winter is giving Edmontonians a sneak-preview of what the season in the next few months.

The westerner tells us the current cold spell is an after-avg. mid-January temperatures, and there is no sign of it warming up until at supper-time.

Fourteen trucks and their crews were deployed from other jobs. According to the city engineering department to cope with a flood of calls asking for sand and shovels. *Algonquin* reports **SIX ABOVE LOW**

The mercury dropped six above last night after hovering around eight at supper-time. Snow fell continually yesterday with wide north wind at 33 miles per hour.

The white flakes are expected to continue today. The day getting heavier late in afternoon. High today in Edmonton 15 above with wide north wind at 33 miles per hour.

Wednesday night's level crossing accident occurred at the 177 avenue and 97 street when a jeep driven by Donald MacKenzie, 12927-117 street was in collision with a CNR passenger train bound for Mirror. The accident occurred at 9:28 p.m.

MacKenzie was freed from the tangled wreckage by an acetylene welding crew from the nearby Nordheimer Manufacturing Company who cut away the dashboard to get at the badly injured man.

The two other accident victims are Floyd LeVage, 497 Union Building, who suffered two fractured ankles and J. Adams, Munson, Alta., who received multiple bruises, cuts and shock.

TRUCK JACKKNIFES
Police said the accident occurred at 145 a.m. this morning when both vehicles crossed through the amber light at the Jasper Avenue intersection. Edward Novare, 7830 103A Avenue, driver of the heavy oil tanker, stated that when he attempted to swing wide to prevent the crash, his truck jackknifed on him. Morave was uninjured.

The other two men were taken to General Hospital by City Ambulance.

Alta. Sets Record By Cattle Win

Double Victory First in History Of Toronto Fair

TORONTO, Nov. 16.—(CP)—Eastern Canada cattle men yesterday made a near-sweep of championship honors in the dairy cattle section of the Royal Winter Fair but Alberta, with a doubleheader win, set a fair record in market beef cattle.

Championship bulls in the Ayrshire, Jersey and Holstein breeds were all shown by Ontario men. Clarence Marsh of Canada, N.Y., exhibited the grand champion Guernsey bull.

Two steers from Alberta won both the grand championship in the market division of beef cattle and the fair and the runner-up reserve championship.

Fair officials said the double victory had never been registered before by one province in the 28-year history of the fair.

FIVE SQUARE DANCE
Late last night farmers from the foothills province celebrated their record triumph with a square dance around the centre aisle of the cattle pen.

A Shorthorn steer owned by the University of Alberta won the grand championship of the fair, and a Hereford owned by Ed Nead of Clearbrook was the reserve champion.

Killeen Seal, 2d, owned by the University, was judged grand champion steer and also won the championship of his breed in market division of the fair's beef cattle contest. It was bred by Claude Gault of Falmouth.

Reserve grand champion steers of the fair were owned by Walter Hunter's Compress 2nd, which also won the championship of its breed.

SEVEN WINNERS
Bandholder of Agincourt, owned by Carr Harts of Unionville, Ont., won the champion steer award for Aberdeen-Angus beef cattle. Mr. Noad's Highland Bontar 1 was reserve champion.

Diamond owned by Arthur W. Beach of Goodwater, Sask., won the championship for grade of cross-bred steers and heifers. Reserve champion was Melvin's Hope, owned by W. F. McLean of Hayfield, Manitoba.

Reserve champion shorthorn steers were White Ram, owned by Widdicombe Brothers of Foxwarren, Man. Milton Domino, owned by Walter Olsen of Arcola, Sask., won the reserve Hereford steer championship.

The oath which requires the signature and adherence of every municipal employee, was the standard form used across British Columbia and other provinces.

read: I, do swear that I will be faithful and bear true allegiance to His Majesty King George VI, his heirs and successors according to law. So help me God.

Mr. Baycroft said the Edmonton Bulletin that he was willing to swear allegiance in a modified version of the oath wherein some mention was made of the Canadian flag and the Canadian government.

He denied any political or religious grounds for his refusal to swear the standard oath. The second oath, who has been employed in the village office since early fall, said that he felt that "Canada was able to stand on its own feet, and that he had no objection to Canada swearing allegiance to King George VI, but not to what now amounts to a foreign King."

Resigns Post
TORONTO, Nov. 16.—(CP)—Premier Frost today announced the resignation of Hon. W. E. Hamilton as Ontario minister of agriculture and the appointment of Rev. John Foye VC, as his successor.

Man Injured After Train Wrecks Jeep

MANGLED TO JUNK in this jeep driven by a city man which was struck by an east-bound CNR train at the 120 avenue and 97 street level crossing late last night. An acetylene torch was used to free driver Donald MacKenzie.

MacKenzie, 12927-117 street, from the tangled mass of wreckage. MacKenzie is in fair condition at Royal Alexandra Hospital with badly-mangled legs. It was district's third crossing crash in two days.

HIGH INCOME LOSES HOUSE FOR VETERAN
NORTHAMPTON, Mass.—(BUPI)—Briekley James Lucey was rejected as a tenant of a new veterans housing project—but his boss, John Perfito, got an apartment.

The reason: Lucey's income is over \$2000 annually. "Perfito is less than that sum—the maximum allowed for occupants of the development."

Storms Cause Coast Damage
VICTORIA, B.C., Nov. 16.—(CP)—Stormy weather has caused extensive damage on the east coast of Vancouver Island.

A fisherman is missing in his gillnet boat, another fishing boat was wrecked, and snow forced logging camps at the northern end of the island to close.

Heavy snowfall was reported, ranging to a depth of seven inches in the Queen Charlotte Islands, 500 miles north of here.

Breath at 101
EAST LIVERPOOL, O., Nov. 16.—(AP)—Next Saturday John McDermott will be a year along in his second century.

The former oil-well driller expects to take only one breath to blow out the 101 candles of his birthday cake. He has been retired since 1918.

City Tax Share Request Rejected By Manning
Premier E. C. Manning has turned down Mayor Sid Parsons' repeated request that Edmonton be given a share of provincial car licence and gas tax revenues for building city roads.

Several weeks ago Mayor Parsons wrote asking that 25 per cent of Edmonton-collected auto and truck licence revenues, plus the same percentage of local gas tax receipts, be related to the city. He pointed out that most locally-bought licences are for vehicles which never move a wheel off city-built streets.

An earlier request, written last March, was unanswered. Premier Manning has replied that the government has fully considered the matter, but "does not feel it can accede to the request."

NO SEGREGATION
His letter, released today by city commission, says there is no segregation of provincial revenue by areas. "Even if it were possible, it would be extremely difficult to do so."

It is not sound principle to relate financial assistance by the province to municipalities, to specific provincial revenues from any particular source.

Premier Manning said a large number of car licences are purchased in Edmonton by owners who "very seldom if ever drive within city limits."

East German Cabinet
BERLIN, Nov. 16.—(AP)—A cabinet reshuffle with Communists yesterday was installed for a four-year term in East Germany with the announced goal of destroying the old upper classes and forcing the churches into line politically.

IT COULD BE TAKEN TWO SEPARATE WAYS
CHEYENNE, Wyo., Nov. 16.—(AP)—Dan Rees, elected Laramie County commissioner Nov. 7 after a campaign in which he promised to be "reasonably honest," thanked his supporters in a newspaper advertisement which said:

"All promises made in the heat of the campaign are hereby retracted; they are null and void and of no further value."

UN Forces Within 20 Miles Of Border of Manchuria

SEOUL, Nov. 16.—(AP)—United Nations forces drove forward all along the cold North Korean war front today, smashing advances of as much as five miles in the northwest carried Americans to within 20 air miles of the Manchurian border.

On the northwest front, troops of three countries comprising the U.S. 1st Corps moved through a steep slope. They advanced as much as four miles without firing a shot.

STABILIZE LINE
The Republic of Korea (ROK) 1st Corps stabilized the left center of the front with short fighting gains.

In Thursday's biggest push the U.S. 7th Division fought five miles forward in the frozen Pungsan hills in the northeast against Red artillery, tanks and infantry. The drive placed the 1st Infantry Regiment in force along the 41st parallel, only 30 miles south of the Manchurian border.

In the extreme northeast, the ROK Capital division broke up a North Korean counter-attack at noon. The ROKs then drove two miles ahead on the left flank.

U.S. Marines clashed with a sizable Communist force as they moved 2½ to three miles up the key west side of the great Changin reservoir in the centre of the peninsula.

RETAKE POSITIONS
Severe miles to the southwest, the ROK 1st Corps had used its way back into the town of Tocheon and recaptured positions along the road linking Tocheon with Kumsu. The ROK corps is on the left flank of the U.S. 1st Corps which moved 2½ to three miles up the key west side of the great Changin reservoir in the centre of the peninsula.

Thursday's advances the full length of the line came the day after heavy Red assaults ended ROK-held sectors around Tocheon and on the northeast coast.

Russ Mining Uranium
HONG KONG, Nov. 16.—(UP)—A Chinese Nationalist report said today that the Soviets have begun mining uranium in northeast China.

It is not sound principle to relate financial assistance by the province to municipalities, to specific provincial revenues from any particular source.

Premier Manning said a large number of car licences are purchased in Edmonton by owners who "very seldom if ever drive within city limits."

Divers Find Four Bodies

MERRITT, B.C., Nov. 16.—(CP)—Two men, missing when both vehicles crossed through the amber light at the Jasper Avenue intersection, Edward Novare, 7830 103A Avenue, driver of the heavy oil tanker, stated that when he attempted to swing wide to prevent the crash, his truck jackknifed on him. Morave was uninjured.

The other two men were taken to General Hospital by City Ambulance.

Wednesday night's level crossing accident occurred at the 177 avenue and 97 street when a jeep driven by Donald MacKenzie, 12927-117 street was in collision with a CNR passenger train bound for Mirror. The accident occurred at 9:28 p.m.

MacKenzie was freed from the tangled wreckage by an acetylene welding crew from the nearby Nordheimer Manufacturing Company who cut away the dashboard to get at the badly injured man.

The two other accident victims are Floyd LeVage, 497 Union Building, who suffered two fractured ankles and J. Adams, Munson, Alta., who received multiple bruises, cuts and shock.

TRUCK JACKKNIFES
Police said the accident occurred at 145 a.m. this morning when both vehicles crossed through the amber light at the Jasper Avenue intersection. Edward Novare, 7830 103A Avenue, driver of the heavy oil tanker, stated that when he attempted to swing wide to prevent the crash, his truck jackknifed on him. Morave was uninjured.

Village Official Refuses To Confine Oath to King

DAWSON CREEK, B.C., Nov. 16.—In an unprecedented action for the B.C. Peace River Block, Richard Baycroft, village assessor and building inspector, refused to swear to what he considers an "un-Canadian" oath of allegiance required of all municipal employees under B.C. law.

The oath which requires the signature and adherence of every municipal employee, was the standard form used across British Columbia and other provinces.

read: I, do swear that I will be faithful and bear true allegiance to His Majesty King George VI, his heirs and successors according to law. So help me God.

Mr. Baycroft said the Edmonton Bulletin that he was willing to swear allegiance in a modified version of the oath wherein some mention was made of the Canadian flag and the Canadian government.

He denied any political or religious grounds for his refusal to swear the standard oath. The second oath, who has been employed in the village office since early fall, said that he felt that "Canada was able to stand on its own feet, and that he had no objection to Canada swearing allegiance to King George VI, but not to what now amounts to a foreign King."

Imperial Plans Sixth Branch For Edmonton
Imperial Bank of Canada will open a sixth branch here in the near future, taking temporary offices from 1843-11 street.

Announcement of the move today by William Fidler, assistant manager of the bank, said the new branch is being opened in the old Pioneer bank building at 1843-11 street.

Pioneer bank of Edmonton, Imperial's first branch here on Sept. 2, 1901.

Commons Hears British Korea Casualties (14)

LONDON, Nov. 16.—(AP)—Defence Minister Emanuel Shinwell told the House of Commons today that British casualties in Korea to date are 51 killed, 158 wounded and five missing. About 10,000 British troops are engaged.

Winston Churchill, the Opposition leader, said the House should "thank God" that British losses have been so heavy.

"In view of the fact that the U.S. government has been so generous as great," Churchill added, "would it not be well for us to express our sympathy with their families and relations-for the great sacrifices they have made in the common cause?"

Special Force Will Parade On Nov. 23

Fort Lewis Will See 10,000 Canadians In Formation

FORT LEWIS, Wash., Nov. 16—(CP)—A date to mark on Canada's military calendar: November 23. On that date, said Brig. J. J. (Rocky) Rockingham, the 10,000-man Korean brigade likely will be on parade for its first inspection as a major formation.

Korean May Back Charge

NEW YORK, Nov. 16—(AP)—A Korean spokesman was expected to back up Gen. MacArthur's charges of Chinese Communist intervention when the United Nations Security Council met today.

John M. Chang, permanent Korean representative here, was scheduled to speak in an afternoon council debate on an American-backed resolution ordering Chinese Communist withdrawal and restoring the Peiping government that UN troops would respect their Korean frontier.

On the eve of the council's meeting, Russia's Jacob A. Malik circulated a letter from the Chinese Communists charging that American aggression is responsible for the war and defending the right of Chinese "volunteers" to go to the aid of the North Koreans.

It was expected that Malik would read the letter into the council records, and then demand that proceedings halt until a delegation from Peiping is present.

Word was received from Prague yesterday that a nine-man Chinese Red group has booked air passage and will arrive in New York Nov. 24.

Train Hits Jeep, Man Badly Hurt

(Continued from Page 1) Jurist. The accident occurred at the 66 street and 126 avenue crossing.

The accident last night occurred at the same spot as did a CNR train and a city fire truck collided last Aug. 3. Six members of the crew of the new pump were sent to hospital following the accident. Two victims of the pile-up are still in hospital.

Engineer Frank Pukis, 1925-10 street, stated that he had the bell and whistle sounding on his heavy engine as he approached the crossing where MacKenzie was badly injured.

In the second accident, the oil tanker was returning to the city empty after an oil delivery to Faust, Alta. Slippery street conditions are believed responsible for the accident. City crews sand the street following the accident.

Royal Institute Re-Elects Jones

LONDON, Nov. 16—(Reuters)—The council of the Royal Institute of International Affairs yesterday re-elected Sir Clement Jones as chairman.

The institute, founded in 1919 by a group of statesmen at the Paris Peace Conference, gathers and makes available accurate information on international affairs. But it is non-political and is precluded by its charter from expressing opinions.

Relax With

COMFORT CIGARETTE TOBACCO

Canadian women everywhere know from experience that "you get more for your money" when you buy COMFORT CIGARETTES. They are the only cigarettes in the world that are "100% TOBACCO". They are the only cigarettes that are "100% TOBACCO". They are the only cigarettes that are "100% TOBACCO".

TOKYO-STYLE CCF CROPS UP

TOKYO, Nov. 16—(CP)—The CCF keeps popping up at army briefings here. But it's not the co-operative Communist Federation. The initials refer to the Chinese Communist Forces.

United States army officers use the initials, all unconscious of their connotation for Canadian correspondents.

Newsman's initials are being used by the army on short-wave wireless for faster inter-communication.

THIS is remainder of Udo Johansson, Alberta's tallest man. His picture starts on page one.

Swedish farmer is six feet nine inches tall in stocking feet.

Football's The Loser In His Case

What a fella! This fellow would have had a pass receiver on the Eskimo rugby team had he been born 10 or 15 years earlier.

Naturally we can only be referring to Udo Johansson, Swift district farmer, who is Alberta's tallest man. He's six feet nine inches up in his bare footies.

Johansson was in town the other day to get some clothes from Lou Moss who operates, Moss Men's Wear at 1048-56 avenue.

WEIGH'S 275 POUNDS Before Udo learned about Mr. Moss, Mr. Johansson had a tough time because he had to make all of his husband's clothes.

Moss specializes in "our sizes" Ready-made clothes for tall men and stout men are his long suit.

Johansson weighs 275 pounds which is O.K. for his height.

Overcoats, suits, overalls and shoes cost Johansson about 30 per cent more than similar articles cost ordinary people but he's mighty glad to pay the extra money if he can be fitted quickly.

Socks, shirts and gloves cost him more too.

WAS TWO SONS The Swedish-born giant has two boys who are of normal size. Mr. Johansson is just 5 feet five inches tall.

Johansson is so used to ducking under doors he ducks even when he doesn't have to just to be on the safe side.

GOLD WHERE YOU FIND IT

FORT MADISON, Ia., Nov. 16—(AP)—A Chicago smelting firm has bid \$20,000 for the right to rip up the flooring of an old penitentiary factory here. It hopes to recover gold and osmium particles in profitable amount despite the precautions which the W. A. Shafter Pen Company regularly takes to hold losses of valuable metal to a minimum in its plant.

Bartered Bride Case Term Is Suspended

VANCOUVER, Nov. 16—(CP)—The case of the bartered bride ended in court yesterday.

Allan Ajas, 18-year-old Edmonton youth, was given suspended sentence by Judge J. A. McGeer. He was released on a \$100 bond for one year on the understanding that he will join the army. He has applied for enlistment.

He was charged with conspiracy in the marriage of his 15-year-old sister to 71-year-old Alex Gokey, an Edmonton distiller farmer, here during the summer.

Ajas posed as Gokey at the wedding; Gokey as the girl's father, and a sister-in-law acted as matron of honor. Gokey, unable to stand trial, was sent to a mental hospital. The sister-in-law was acquitted. Police were told a barter deal was arranged in Edmonton. Gokey agreed to pay \$500 to Ajas for arranging the "marriage."

Thieves Get Little Bit Of Everything

Auto tires, a radio, a display suitcase and \$15.75 cash was stolen from the Arena Service Station, 115 avenue and Fort Road, in a break-in Thursday night. Total value of the loot was \$250.

Police stated entry was gained by forcing a restraining bar on a small rear window.

Loot included \$15 in nickels from the pop machine, 75 cents in copper, a portable radio, a display case containing flashlights and batteries, a stapler and seven auto tires.

The Canadian National Institute for the Blind rural, "still going strongly," yesterday reached the \$7500 mark of its \$20,000 objective.

Royal Order of Purple at Viking yesterday sent in \$271 and a campaign of intermediate studies of Donald school at Donald, under direction of James Vallentyne, contributed \$85.

Northwest Airlines director of sales, Larry Timpani, arrived in Edmonton today from St. Paul to take part in the official opening of their new offices in the King Edward hotel. He leaves tomorrow for Anchorage, Alaska, on a routine visit to their northern base.

Remembrance Day ceremonies at the Cenotaph have left Mayor Sid Parsons with a heavy cold contracted during the open-air program.

Note to anonymous individual who sent City Engineer J. D. A. Macdonald that \$3 "conscience money."

He says he's having a little trouble knowing with a little to credit the \$3.

City Leagues Hold Meet

Federation of Community Leagues last night acted host to about 28 league presidents and annual presidents' dinner held in the King Edward hotel.

Charlie Simmonds, president of the federation, stressed the fact that leagues provided the leadership to better living in each community.

He urged further participation and co-operation among members of the league in such things as sports and community activities.

D. R. McNaughton, superintendent of Boylestad Camp, gave a progress report.

He stated the camp would be completed by spring and would commence capacity operation at that time. Accommodation has been arranged for approximately 100 underprivileged boys.

Hal Warham, president of the figure-skating committee, said according to registration figures to date, this year's class would be the biggest yet, making the club the largest organization of its type in Canada.

Better Lights Are Extended

Things are going to be brighter along 95 street and 115 avenue before long.

Stripped-up street lighting along 95 street from 111 to 115 avenue should be completed before Christmas, City Commissioner D. B. Menzies said today.

And 115 avenue, from 95 street to Fort Trail, will get the same treatment before spring rolls around.

Only reason the work isn't closer to completion is that a new type of octagonal pole is being used, and some difficulty is being experienced in getting proper brackets to fit them.

Increased lighting will be the same as that recently completed on both 10 and 97 streets between Jasper and 111 avenue.

Tired Aching Tender Feet

Your feet may be so tender and so tired that you think you can't go on with your day. Your feet are tired. You're cutting right into the soles. You feel sore all over. You're in pain and fatigue; you're giving yourself no rest.

Two or three applications of **Moore's Balm** will soothe aching, hot, red, and itchy feet in 15 minutes. The pain and fatigue disappear. You have the tender feet you need. You have the tender feet you need. You have the tender feet you need. You have the tender feet you need.

CO-OPERATIVE Commonwealth Federation delegates from all parts of Alberta got down to hard work of annual provincial convention in Edmonton today. Meeting will discuss organizational problems, tackle 60 resolutions. On hand for opening session are Joe Peterson, Claresholm; Elmer E. Roper, MLA, provincial CCF leader; Raymond Bell, Carstairs.

Picture of Miner as 'Bandit' Attacked By Leader of CCF

A picture of the nation's mine workers as "dirty-faced bandits holding up the community at the point of a gun for exorbitant amounts," was hotly denied today by Elmer E. Roper, Alberta MLA, and provincial leader of the Co-operative Commonwealth Federation.

He addressed the opening of party's annual provincial convention at the Masonic Hall. Two hundred delegates are attending.

He said the picture was painted by newspapers in the country every time the miners asked for a raise in pay.

The Dominion Bureau of Statistics tells the real story of the miners today is \$2.20 less than in 1946.

"The real wage of the miner today is \$2.20 less than in 1946," he said.

Previously he had called the sharply rising cost of living "the most disturbing factor in the national economy."

The provincial leader said the CCF was supporting the demand of labor and farm organizations for controlled prices.

PRICE TRIBUNAL

His statement was bolstered by a convention support for a provincial price tribunal.

Previously he had called the sharply rising cost of living "the most disturbing factor in the national economy."

The provincial leader said the CCF was supporting the demand of labor and farm organizations for controlled prices.

Historical highlights incorporated in the report which was prepared by A. Bradshaw, the department's industrial advisor, trace the town's growth from 1867, when the first settlers arrived, to the present.

Also released today by the department was a similar economic survey of the village of Mayerthorpe.

School Opening

Stettin's new school will be officially opened Nov. 22. Hon. Ivan Casey, minister of education for the province, will officiate at the opening ceremonies.

Things are going to be brighter along 95 street and 115 avenue before long.

Stripped-up street lighting along 95 street from 111 to 115 avenue should be completed before Christmas, City Commissioner D. B. Menzies said today.

Turn-On at Leduc Awaits Decision

Utilities Commission Official Makes Thorough Inspection

The first flow of gas through Leduc mains since last Saturday's disastrous explosion will come when a government expert is satisfied the system is completely safe.

James Parks of the Board of Public Utility Commissioners told the Bulletin today he expected the gas would be turned on in "about a week."

"We're checking all installations particularly the valves," he said. Working with him are Alberta Consolidated Gas Ltd. engineer Wilfred Gray and the Leduc town inspector.

Meanwhile, the services of government departments at Ottawa and Washington have been called to check the identity of the tenth body recovered from the Leduc hotel raised in Saturday's gas explosion and fire.

RCMP in Edmonton said today that their identification branch yesterday was successful in getting the fingerprints of the badly burned male victim.

They are being sent to Ottawa and Washington for comparison with the files on members of the armed forces and other government departments with fingerprint records.

A reply is expected back from Ottawa on Saturday and word should reach Edmonton from Washington by the middle of next week.

The RCMP said more than a dozen inquiries were received recently from people with relatives in Leduc and all but two or three of these have been run down.

The body is still being held for identification purposes in Hamilton and San Francisco, Park said.

Air Defence Plans Gradually Emerge

Areas Centred By Montreal, Toronto Get First Priority

By Douglas How
OTTAWA, Nov. 16.—(CP)—The pattern of Canada's air defence program is gradually emerging with first priority for protection of the areas centred by Montreal and Toronto and the vital American regions to their south.

The pattern never has and probably never will be spelled out publicly. But its emergence places itself together in the extension of an airfield here, the establishment of a radar base here, the choice of a base for a fighter squadron.

Next year will see the movement gain its greatest post-war momentum when two types of jet fighter planes come into production and establishment of new fighter squadrons takes on increased pace. Joint plans for North American defence, this fighter development is probably Canada's major contribution.

FORMS WIDE ARC

It is already possible to discern the shape of a wide field of protection for the Montreal-Toronto areas in bases springing up or planned at places like Chatham, N.B., Bagville, Que., and Chatham, Ont.

So far, Chatham is the only one to act as a peacetime fighter squadron base but work is going on or will go on at the others and there is speculation that they are part of the pattern. The RCAP, however, has no comment.

On the map, these three fields loom at the outer rim of a wheel whose hub lies in Montreal with its air defence group headquarters as the nerve-centre of the whole plan. Inside that rim, and closer to the choice targets, are regular squadrons at Montreal and Ottawa, two reserve squadrons at Toronto, a third at Hamilton.

There now are three regular

Man Jailed For Threats

NASSAU, Bahamas, Nov. 16.—(CP)—Convicted of attempted execution and threats against the life of Lady Emma Oakes and her family, Nicholas Musgrove was sentenced yesterday to five years.

Chief Justice Oswald Bameroff also recommended that Musgrove be deported to his native Turkey Island at the end of his prison term. Musgrove was arrested in May after two threatening letters and two telephone calls, one of which was traced by police, were received by Basil Sparrow, secretary to the widow of Sir Harry Danks.

Harry, a millionaire Canadian mining magnate, was murdered in 1943 and his killer was never convicted.

On the stand, Musgrove denied knowledge of the extortion attempt.

Lady Oakes was warned to leave \$100,000 in a specified, lonely place or "may God have mercy on somebody's soul."

Welded to this is a radar program that is proceeding with as great secrecy as possible. Bases are gradually being built but their locations are not made public. In addition, reservists are being trained in peacetime radar units whose location in places like Montreal, Toronto, Ottawa, Quebec, Sherbrooke may or may not be coincidental.

McGill Lifts Suspensions
MONTREAL, Nov. 16.—(CP)—McGill University officials yesterday lifted a two-day suspension of the student newspaper, the McGill Daily, and also a suspension from classes imposed on four top members of the student executive.

The suspensions were ordered Monday, the result of "exaggerated publicity" in the daily concerning an "extravaganza" held last Saturday to raise funds for the studentsponsored combined charities campaign and as a result of the role of liquor at the event.

Suspended were Boris Gardavsky, president of the students' union, Jim Carter, president of the McGill union; Jack Scott, editor-in-chief of the McGill daily, and Douglas Campbell, chairman of the combined charities campaign.

The suspensions were lifted following personal apologies from the four men suspended.

EDMONTON BULLETIN, Thursday, Nov. 16, 1950

STAFFORD-ON-AVON, England.—(CP)—The last privately-owned building here with Shakespearian associations has been purchased with the purchase of Hall's Croft, to be opened as a Shakespeare centre. It was the house where Shakespeare's daughter Susanna lived with her husband Dr. John Hall, a 16th century half-timbered building.

A Woodward's OVERSEAS Gift Certificate

The person named by you on the certificate can choose... what he wants, the result of "exaggerated publicity" in the daily concerning an "extravaganza" held last Saturday to raise funds for the studentsponsored combined charities campaign and as a result of the role of liquor at the event.

Suspended were Boris Gardavsky, president of the students' union, Jim Carter, president of the McGill union; Jack Scott, editor-in-chief of the McGill daily, and Douglas Campbell, chairman of the combined charities campaign.

The suspensions were lifted following personal apologies from the four men suspended.

Gift certificates and list of articles in stock may be obtained from Overseas Section, Mail Order Department, Third Floor.

One Price Only \$7.50

As These People and Their Interesting Health Records? As Gratefully Told To B. H. Quarrell

Advisor to Thousands—The Man Responsible for the Discovery of SARNAK, one of the Newest Contributions for Sick, Ailing Men and Women Suffering Like the People Below... See if Any of your Friends are Here From Other Towns

Mr. Paul E. Magnault, Drummondville, Quebec.
"For eight months I've suffered with rheumatic pains and lumbago and nothing did seem to help me. Recently I started to take Sarnak and to my surprise after only five days I got complete relief. My thanks to the makers of this line remedy."

Mr. William Johnson, Bar 195, St. John's, New Brunswick.
"I am a shoe maker and have suffered for some time with pains in my back and in my legs. I have been eating very well and have been troubled with constipation and getting up three or four times every night. Recently I started taking Sarnak and, believe me, I began to feel better right from the first. The pain was relieved, I became regular and I can sleep the night through comfortably without getting up. I am very grateful to Sarnak for the help I have received. Believe me, when you're 72 years of age, you appreciate such relief."

Miss Adrien Pouda, Miss, Quebec.
"My daughter, aged 15, has suffered for two and a half months with rheumatic pains in her legs and feet, without relief. I tried to get her to bed from this point but nothing seemed to help her. I started taking Sarnak and in only three weeks my health was greatly improved. I found Sarnak was such a relief and I am back on my feet today thanks to Sarnak. I've told all my friends and relatives about this line remedy and cannot recommend it too highly."

Mr. R. M. de Serres, Beauport, Quebec.
"For quite some time I suffered with rheumatic and arthritic pains in my left hip and shoulder. I couldn't move my leg or walk during my last attack. I started taking Sarnak and I am now getting up to continue with Sarnak for I know it will be of great help to me."

Mr. Oscar Labrecque, Saint, Quebec.
"For over a year now I've suffered with rheumatic and stomachic and occasional attacks of rheumatic pains in my legs and feet, without relief. I tried to get her to bed from this point but nothing seemed to help her. I started taking Sarnak and in only three weeks my health was greatly improved. I found Sarnak was such a relief and I am back on my feet today thanks to Sarnak. I've told all my friends and relatives about this line remedy and cannot recommend it too highly."

Mr. George Hallett, Vernon, B. C.
"I am a retired farmer and for the last 15 years I've suffered with rheumatic pains in my legs and feet, without relief. I tried to get her to bed from this point but nothing seemed to help her. I started taking Sarnak and in only three weeks my health was greatly improved. I found Sarnak was such a relief and I am back on my feet today thanks to Sarnak. I've told all my friends and relatives about this line remedy and cannot recommend it too highly."

Mr. Peter Fraser, 64, George Street, Sydney, Nova Scotia.
"One knows what one suffers with and I have suffered with rheumatic pains in my legs and feet, without relief. I tried to get her to bed from this point but nothing seemed to help her. I started taking Sarnak and in only three weeks my health was greatly improved. I found Sarnak was such a relief and I am back on my feet today thanks to Sarnak. I've told all my friends and relatives about this line remedy and cannot recommend it too highly."

Mr. Kenneth Cuff, 192 Henry Street, Sydney, Nova Scotia.
"I've suffered with rheumatic pains in my legs and feet, without relief. I tried to get her to bed from this point but nothing seemed to help her. I started taking Sarnak and in only three weeks my health was greatly improved. I found Sarnak was such a relief and I am back on my feet today thanks to Sarnak. I've told all my friends and relatives about this line remedy and cannot recommend it too highly."

Mr. Phil Chandler of 225 Avenue R, South, Saskatoon, Saskatchewan.
"For the last fifteen years I have suffered with rheumatic pains in my legs and feet, without relief. I tried to get her to bed from this point but nothing seemed to help her. I started taking Sarnak and in only three weeks my health was greatly improved. I found Sarnak was such a relief and I am back on my feet today thanks to Sarnak. I've told all my friends and relatives about this line remedy and cannot recommend it too highly."

Mr. Lester R. Goddard, Lower Harncliffe, Nova Scotia.
"I've suffered with rheumatic pains in my legs and feet, without relief. I tried to get her to bed from this point but nothing seemed to help her. I started taking Sarnak and in only three weeks my health was greatly improved. I found Sarnak was such a relief and I am back on my feet today thanks to Sarnak. I've told all my friends and relatives about this line remedy and cannot recommend it too highly."

Mr. Peter Kowalski, Clonmel, Ontario.
"I've suffered with rheumatic pains in my legs and feet, without relief. I tried to get her to bed from this point but nothing seemed to help her. I started taking Sarnak and in only three weeks my health was greatly improved. I found Sarnak was such a relief and I am back on my feet today thanks to Sarnak. I've told all my friends and relatives about this line remedy and cannot recommend it too highly."

Mr. Peter Kowalski, Clonmel, Ontario.

'All About Eve'

All About Actress

Bette Davis Performs Expertly
As Actress Who Fears Failure

Age appears to be a Broadway virtue. In Darryl F. Zanuck's "All About Eve" which opens tomorrow at the Capitol, Bette Davis plays the fictional Margo Channing, famous Broadway star who has reached her forties and believes herself fading.

New Wheat Quotas Set

WINNIPEG, Nov. 16.—(CP)—The Canadian Wheat Board today laid delivery restrictions on wheat at 52 Alberta points.

In addition it announced new quotas for a number of points.

The places affected: Open (wheat, oats and barley): Alta, Baintree, Barhead, Blackfield, Bodo, Bowden, Chiswell, Clive, Concession, Cremona, Debon, Enderby, Fort Assiniboine, Fort Garry, Haynes, Irma, Jersey, Kunin, Lacombe, Loyalton, Madeline, Maymont, Minnola, Navarre, Northold, Onda, Penfold, Redford, Bridge, Rockford, Sanguin, Tess.

Open (wheat only): Bewell, Canaan, Clondalton, Consort, Dubs, Enderby, Fort Assiniboine, Kelsey, Kinross, Meeting Creek, Neco, New Britain, Penman, Ponsa, Prentiss, Red Willow, Tisdale. Fifteen bushels (wheat only): Blackfoot, Bodo, Cramsey, Dewberry, Falyon, Kenna, Leckieville, Ribstone, Thorby, Veldt, Watta. Twelve bushels (wheat only): Brewton.

Indians Get Their Wind Up At Lake Monster 'Windigo'

KENORA, Ont., Nov. 16.—(CP)—The legendary Windigo has been turned, this time to the wilds of far-northern Ontario.

The tale of the strange monster was related by the Ontario Wildlife office here. It said its information came from Laila Manderson, a 20-year-old teacher at Poplar Hills post, 200 miles due north of her remote Kenora Lake.

The Windigo, in the northland, is what Ojibwa or Chippewa call it in British Columbia. But, unlike the coast sea serpents, a Windigo has no set shape.

Laila Manderson's Windigo is supposed to have been seen first several months ago. He had an article in the Indian draw him a picture. The Windigo resembles an alligator.

It has been reported seen again and one report is that it has been shot, but of course, unsuccessful. The story is it comes out of the

Insect War Said Gaining

TORONTO, Nov. 16.—(CP)—Initial successes in a war against prairie insects in Alberta were reported yesterday by Dick Painter, Dominion livestock entomologist at Lethbridge.

Interviewed at the royal winter fair, he said experiments he had carried on for the last two years have made things more comfortable for prairie farmers and their cattle.

He talked Lethbridge area farmers into spraying their cattle and barns a couple of times last summer with DDT insecticide to cut down the number of insects.

"Even in the farmhouses, you could sit down and enjoy a meal," he said, "I went into a cafe in town in the middle of the summer and found no flies."

Spain Will Attend UN Canada Meet

MADRID, Nov. 16.—(Reuters)—Spain is sending a three-man delegation to the coming United Nations International Civil Aviation Conference meetings in Montreal. It was announced last night. Tomas Saner, undersecretary of foreign trade and commerce at the Spanish foreign office, will head the delegation.

Murder Charge Laid In Manitoba Shooting

LAC DU BONNET, Man., Nov. 16.—(UPI)—The St. John's, 71, was held by RCMP today on a consumer's warrant on a charge of murder.

Police said Sjogren was arrested and brought here by plane after Charles Manias, 27, was shot Tuesday night on the Hole River Indian Reserve 60 miles north of here.

ACTING AS prize-winning screen star and "killer" in Darryl F. Zanuck's "All About Eve," is lovely Anne Baxter with leading man George Sanders. New and exciting film, one of leading star Bette Davis' best, opens Friday at Capitol Theatre. Celeste Holm also stars.

Battered U.K. Vessel Towed Into Hong Kong

HONG KONG, Nov. 16.—(CP)—The British freighter *Hong Kong*, crippled by a mine last September and helpless victim of a 35-hour typhoon in the Strait of Formosa, reached Hong Kong in tow late yesterday.

The 2,900-ton vessel showed little effects of the typhoon's buffeting, but also displayed a gaping 200-hole as the result of the contact with

the mine—presumably laid by the Chinese Nationalists.

She was being towed to Hong Kong by the tug *Margaret Moller*, after temporary repairs at Shanghai, when the typhoon struck and the tug broke.

DANGEROUS LOSS

Without power, she rolled dangerously from 38 to 43 degrees, ship's officers said, before the *Margaret Moller* sighted her and again took her in tow more than three days later.

When the freighter was reported in distress, the Canadian destroyer *Souris*, which had just arrived in Hong Kong for refitting, put out to the vessel's aid.

However, the *Margaret Moller* had the *Taxian* in tow before the warship—one of three Canadian destroyers serving with United Nations forces in Korean waters—reached the crippled vessel.

Divers in Venezuelan pearl fisheries are not allowed beyond 65 feet depth, although the beds extend to 120 feet.

Native guides told Game Warden Eddie Johnson it was to attract the attention of the Windigo while the Indians portaged unobtrusively and safely behind his back.

Elevator Chaos Seen With Protein Grading

REGINA, Nov. 16.—(CP)—The chief chemist of the Board of Grain Commissioners said yesterday the introduction of any known system of protein grading for wheat would create chaotic conditions in country grain elevators.

The chemist, Dr. J. A. Anderson, who addressed the Saskatchewan Wheat Pool's annual meeting said protein grading would require a number of sub-grades within existing grades. This would put heavier demands on bin space in elevators.

But the biggest single difficulty at country points is that there is no way to determine protein content instantly. The country agent would be unable to classify grain protein grading effective, Dr. Anderson said.

A way might be found to make protein grading effective, Dr. Anderson said.

Dollar Shortage Said Cause Of Newsprint Lack

BUENOS AIRES, Nov. 16.—(AP)—Dollars said yesterday that the shortage of newsprint has become so acute in Argentina that there is only enough stock on hand for another 15 to 20 days.

The shortage was attributed to a lack of dollars.

Last year the government began to pool newsprint, mainly from stocks expropriated from La Prensa and La Nacion, the two largest daily newspapers in the country.

Chevrolet's Reputation makes Chevrolet the Leader!

A GENERAL MOTORS VALUE

**The high reputation of Chevrolet... its makers...
and its dealers... were three main reasons why
Chevrolet led all other makes in popularity,
according to recent impartial surveys
among automobile owners!**

What safer guide can there be than reputation, when it comes to choosing a motor car? For reputation is based on the day by day and year by year experience of Canadian motorists — driving their cars in every Canadian season, on every kind of Canadian road. Every car can claim top quality. But only one car can be Canada's favorite in popularity, in sales, in value — with the highest reputation in all parts of the country

... and that's the car to buy! Recent nation-wide surveys among automobile owners have established beyond question that Chevrolet is the leading car in reputation, three ways — the high reputation of the car itself; the high reputation of its manufacturers, General Motors; and the high reputation of Chevrolet Dealers. What safer guide can there be? You simply can't go wrong when you buy the leader — Chevrolet!

Stan Moher

Sports Editor

The Customers Write . . .

Mrs. D. Bridson, 108 Avenue, City: "So they lost! I finally realized about half-way through the game today that our Eskimos were being beaten by a team that was playing better football."

"My heart cracked wide open, but now I would like to say a great, big fat 'Thank You' to . . . Annis Stukus, Lindy Berry, the Eskimo management, et al."

"Our gratitude for many thrilling hours of entertainment."

"No one could believe that the (Eskimos) play for pay. Stukus and his players have given us something of the time and talents to further the cause of football. The Knuckle Gang was an inspiration."

"As for Durno's dirty work, we certainly don't condone it but we can understand there's only so much a man can take or see dished out."

"Come next year—win or lose—we know you'll still play a game that's a thrill to watch. Here's to you Eskimos—we think you're grand."

Comment: It isn't hard to buy most of the sentiments expressed in this letter. Certainly the writer speaks for many thousands of others who are carrying a big torch for the Eskimos.

Leave us face it, promotion of football in Edmonton has been a tremendous two-year success story.

"Used to Play", City: "I note where most of the Eskimos will be back next year—at least so the story on the front page of today's Bulletin has it."

"This comes as a great surprise to one who only knows that he heard via radio from Winnipeg. As I got it from Jack Wells, Gordon Williamson, Jim Coleman, Dick Beddoes and several others, Bombers had a big edge on the Eskimos."

"The score sheet makes it 33 points in two games."

"Wouldn't this result dictate at least several changes in the line-up for 1951, or am I guilty of fuzzy thinking? Even Grey Cup champions don't stand pat."

Comment: Regardless of what the writer read in the paper, we'll be quite surprised if there aren't "several changes" made on the Eskimo roster before kickoff time next August-September.

Miss Netta Galloway, 421 Gallows, Glasgow, Scotland: "An enclosing some pictures which my girl friend and I took while Edmonton Mercury were in Scotland at the beginning of this year. Will you be good enough to forward them to the team?"

"I'll thank you in advance and also apologize for my writing."

Comment: Netta should see how I write.

"Sparkie" Miller, Somewhere Along the Union Pacific Railway Troop Train No. 410683B: "Have now been in the U.S. Army for eight days and truly it is not too bad. Was inducted at Butte, Montana, then sent to Fort Riley, Kansas for processing. Yesterday 325 of us draftees were shipped out."

" . . . The food is good, the clothing fits where it touches, and the sergeants ain't very polite to us."

Comment: "Sparkie" Miller is the former Junior Hockey league netminder who later played in Great Falls and Los Angeles. While in the U.S. he took out his "papers" and promptly wound up as a draft number when the lid came off in Korea.

R. A. Wheeler, 2814 East 10th Street, Tucson, Ariz.: "Claude was also an all-star state in football and played in the first All Star game at Flagstaff, Ariz. He was not the only one in the family who is a baseball player. His older brother's team just won the championship of the south Pacific. He is a leading pitcher. As well he won the waterweight championship of the South Pacific."

Comment: The writer is the father of Claude Wheeler, who played an infield position with Calgary Buffs this past season.

Maybe baseball maestro John Ducey and fight promoter "Jittery" Jack Berry should get together and bring Claude's older brother to this part of the country.

New Baseball Loop In Discussion Stage

John Ducey will be in southern Alberta at the week-end, object to help wind up the affairs of the Big Four Baseball league, then sit in on preliminary discussions pointed toward the formation of a new loop.

Ducey, who hopes to have a new spring, to replace the one that burned last August, will meet with Sam Timmins, Harold Cundall and other Calgary baseball men Friday to write "finis" to the Big Four circuit.

Sunday he will be in Medicine Hat, where a meeting to discuss formation of a new circuit, embracing teams in Edmonton, Calgary, Medicine Hat and Lethbridge, will be held.

Ken Samis, general manager of the St. Louis Cardinals, Big Four league champion in 1950, may accompany Ducey south.

Bombers Train In London

WINNIPEG, Nov. 16.—(CP)—Winnipeg Blue Bombers will train at the University of Western Ontario stadium in London, Ont., in preparation for the Grey Cup final. President Ralph Misner announced last night.

McGILL 'GRAD' P.R.O. FOR VARSITY SPORT

Latest appointment at the University of Alberta is that of Dennis Ellerbeck to the post of public relations officer for the college's athletic board.

Ellerbeck, a former football player at McGill, is a graduate in physical education. He is currently studying for an education degree at the U of A in order to qualify for a teaching post.

Originally from Winnipeg, Ellerbeck enrolled in McGill after three years in the navy. He played center and end for the Vic Obbeck-coached Redmen.

Comment: "Used to Play", City: "I note where most of the Eskimos will be back next year—at least so the story on the front page of today's Bulletin has it."

"This comes as a great surprise to one who only knows that he heard via radio from Winnipeg. As I got it from Jack Wells, Gordon Williamson, Jim Coleman, Dick Beddoes and several others, Bombers had a big edge on the Eskimos."

"The score sheet makes it 33 points in two games."

"Wouldn't this result dictate at least several changes in the line-up for 1951, or am I guilty of fuzzy thinking? Even Grey Cup champions don't stand pat."

Comment: Regardless of what the writer read in the paper, we'll be quite surprised if there aren't "several changes" made on the Eskimo roster before kickoff time next August-September.

Miss Netta Galloway, 421 Gallows, Glasgow, Scotland: "An enclosing some pictures which my girl friend and I took while Edmonton Mercury were in Scotland at the beginning of this year. Will you be good enough to forward them to the team?"

"I'll thank you in advance and also apologize for my writing."

Comment: Netta should see how I write.

"Sparkie" Miller, Somewhere Along the Union Pacific Railway Troop Train No. 410683B: "Have now been in the U.S. Army for eight days and truly it is not too bad. Was inducted at Butte, Montana, then sent to Fort Riley, Kansas for processing. Yesterday 325 of us draftees were shipped out."

" . . . The food is good, the clothing fits where it touches, and the sergeants ain't very polite to us."

Comment: "Sparkie" Miller is the former Junior Hockey league netminder who later played in Great Falls and Los Angeles. While in the U.S. he took out his "papers" and promptly wound up as a draft number when the lid came off in Korea.

R. A. Wheeler, 2814 East 10th Street, Tucson, Ariz.: "Claude was also an all-star state in football and played in the first All Star game at Flagstaff, Ariz. He was not the only one in the family who is a baseball player. His older brother's team just won the championship of the south Pacific. He is a leading pitcher. As well he won the waterweight championship of the South Pacific."

Comment: The writer is the father of Claude Wheeler, who played an infield position with Calgary Buffs this past season.

Maybe baseball maestro John Ducey and fight promoter "Jittery" Jack Berry should get together and bring Claude's older brother to this part of the country.

CLIMBING through ropes, after brisk workout yesterday, cloutier "Rudy" Zadel, from Barberton, Ont., looked ready for 10-round fight against George Dunn at Scot Pavilion tonight.

FIGHT TONIGHT

Dunn Favored Over Zadel

George Dunn, a fancy colored man who can hit you pretty good if you stand still long enough, is favored to button the hatches of Rudy Zadel in their boxing engagement tonight at the Scot Pavilion.

They will headline promoter Jackson Bepko's fight card, the first bout of which commences at 8:30.

For his part, Mr. Zadel does not propose to stand still very often. He has also promised to decorate Mr. Dunn's broadsword with several beltings of knuckles by way of handing the Negro his first loss in an Edmonton ring.

But the boys who know their cauliflower ears best were making it Dunn all the way last night, and at 2-1 at odds.

Benny Greig from Wildwood is in against Elaine Hayden in the semi-main event, and is rated better than even-money to knock off his eastern-Canadian bred opponent.

Other bouts with the likely winner, are as follows: Stan James over Her Fillion; Johnny Wynne over Bill Sprague; Joe Belanger over Bill Sakeld.

Heavy Loop Schedule Commences Tonight

Biggest pre-Christmas exhibition basketball schedule in modern times hereabouts commences tomorrow night when Varsity Golden Bears battle Waterloo Meteors.

Gone will be played in Varsity Gym, beginning at 8:15 p.m. Tomorrow the Colored Ghosts, a longstanding Negro team from Los Angeles, clashes with Meteors.

Bears get a crack at the Ghosts Tuesday night.

On Nov. 24 and 25 the annual Rigby Trophy series opens here between the Golden Bears and Saskatchewan Huskies. It is a two-game appearance of the touring Detroit Vagabond Kings on Dec. 12.

The Kings, formerly associated with an American pro league, will play a game against each of the Bears and Meteors.

Thistle Brass Meets Tonight

Officials of the Thistle Curling Club will meet tonight at 7:30 to discuss final plans for the season's opening. Weather conditions being what they are, ice may be ready by Monday according to ice-maker Harold Blacklock.

Sixty rinks have been formed and a double draw Monday through Friday will be arranged to accommodate that large number.

Stampeders in 2nd Place After Dumping Regina 5-3

REGINA, Nov. 16.—(CP)—Calgary Stampeders last night took over second place in the Western Canada Hockey league with a 5-3 decision over the last-place Regina Caps.

Before a crowd of 2,364 persons, Stampeders broke a tie for second place with Saskatoon Quakers who have ten points.

Calgary clinched the honors on Mitch Pechet's counter at 12:10 of the final. Both clubs traded counters in the time remaining.

For Calgary, Johnny Millard was high man with the final goal of the night plus two assists. Former first league keeper, Ken Simpson, got the first Calgary goal while others went to Archie Scott and Stan Devig.

Bill Kyte, Norm Blackett and Lou Hauk first Regins goal.

Of the five penalties handed out the even game, two went to big Vic Myles, Regina defenceman just out of retirement.

Cap coach Ken Duxbury yanked his goalie with 47 seconds left to go but the try for the equalizer backfired when Millard drove one from centre ice that caught the empty net.

REGINA—Bentley: Myles, Johnson, Kyte, Hanks, McInnis, Suter, Allen, Barclay, Stinson, Brown, Poppen, Tison, Blackett, Harris.

CALGARY—Devig: Clark, Gilchrist, Finney, Devig, Scott, Suter, Rawlston, Myles, Pechet, Myles, Millard, Grant, Larson, Anderson.

OFFICIALS—Referee: Morrison, Moore, Jack, Mack, and Maurice Walsh, Alex Cox.

SUMMARY First Period: Calgary, Simpson (20) 1-0; Regina, Blackett (10) 1-1; Second Period: Calgary, Simpson (20) 1-1; Regina, Blackett (10) 1-1; Third Period: Calgary, Pechet (20) 1-1; Regina, Blackett (10) 1-1.

DECISION—Calgary: Walcott vs. C-4; Regina: Walcott vs. C-4; C-4 vs. Regina: Walcott vs. C-4; C-4 vs. Regina: Walcott vs. C-4.

Monday games will be played at 8:00 p.m. Friday games will be held at 8:00 p.m.

Imperial Well Slated Near Normandville Site

By C. V. Myers

Buletin Oil Editor

Imperial Oil, still hunting oil in the Peace River country, announced a new wildcat Wednesday—Imperial Kinyan No. 1, about 20 miles southeast of Normandville. Dr. hole Imperial Kathleen is about 12 miles south and dry hole Imperial Lally is about 10 miles northwest, between Normandville and the new well.

The Kinyan No. 1 is about 50 miles due north of Pacific Valley. Lower Cretaceous production after drilling unseasonably through D-2 and D-3 to a depth of 3,325 feet.

At 3,307 to 3,308 the well flowed oil to the surface in 11 minutes and got a pipe recovery of 900 feet. It has been rated a Cretaceous discovery. The well was also a gas discovery, flow: 3,000,000 cubic feet, 3,885 to 3,907.

A section of land is involved in the deal with the Pacific group. Redwater Leaseholds and Chevron each holding a 25 per cent interest.

Soony High Prairie, near the western tip of Lesser Slave Lake, appeared at the end of the trail as it ran logs on Wednesday at 1,962 feet.

Pacific Redwater Leaseholds Elberta No. 1, four miles south of

Livestock

EDMONTON, Nov. 16—Total receipts: cattle 773, calves 21, hogs 388, sheep 40.

Thursday's cattle market continued slow under liberal receipts. Buyer demand was again narrow, with trading not too active and bids being somewhat drab. General trend was weaker and prices were unsettled with buyers selective in their purchases and grading close. Early sales of most classes were 50 per cent lower. There were no choice butchers on offer.

Fair to medium steers traded 22.00 to 24.00, a few good up to 25.00. Medium to good heifers sold at 21.25 to 23.50. Good cows priced from 17.00 to 18.50. Bulls steady, good weights 20.00 to 22.50.

Feeder cattle were uneven and graded a weaker undercurrent. Good feeder steers selling from 21.00 to 22.00, discovery, flow: 3,000,000 cubic feet, 3,885 to 3,907.

Veal calves were unchanged. Calf to the discovery is, at 1,900 feet, within about 20 feet of the level of the D-3 contact in No. 1.

Wellbore 1-2, the second westward casing to the discovery, has set surface casing to the level of the D-3 contact in No. 1.

National Acheson No. 1 is standing on surface casing set. Athabasca North, a few miles north of the field, is still unreported, but is probably by this time in the D-3.

Cal Standard Acheson 1-1, north zone.

The BAY for Enchanted Fashions In Evening Wear

29.50 to 89.50

Social and Personal

Auxiliary Bridge Monday

Concentrated entertainment of an organized bridge party is in store for those who plan to attend the mixed bridge party to be held Monday by the Misericordia Hospital Women's Auxiliary.

Affair is planned to mark the golden anniversary of the hospital and will take place at the new nurses' residence. Receiving with Mrs. M. Mallet, president of the auxiliary, will be convener Mrs. Morris Weins and Mrs. A. E. Theman, assistant superintendent of nurses Miss Rita Ball.

Accommodations have been arranged for more than 100 tables and reservations may still be made by calling Mrs. Weins at 84796.

Aberdeen Rendezvous Tomorrow at Troc

Annual Rendezvous will be held by Lady Aberdeen League at the Trocadero ballroom tomorrow evening.

Mrs. John Easton is convener of the affair. Assisting with arrangements are Mrs. Alfred Noak, Mrs. T. McRoberts, Mrs. W. Whitley and Mrs. B. J. Sturrock. Among members and friends who have made reservations to attend the affair are Mr. and Mrs. H. I. Hill, Mr. and Mrs. W. G. Montgomery, Mr. and Mrs. H. M. Fowler, Dr. and Mrs. Gordon Tucker, Mr. and Mrs. J. D. Hunter, Mr. and Mrs. L. A. Wynn.

Choral Music at Sunday Program

Mrs. L. F. Davies will conduct her St. Cecilia Choristers Sunday when the weekly musicale takes place at the Museum of Arts.

Program, conceived by Mrs. George Kettle and Mrs. L. F. Malone, will begin at 2:45 p.m.

Dr. A. Watt will act as chairman for the affair to which the public is invited to attend.

Tes will be served at 4 p.m.

Mrs. D. Ramsey and Mrs. D. Radford are tea hostesses.

MARRIAGE of Anna Hilda Skarbo to Alan Hugh Eveson will take place at Camrose United church Nov. 25. Miss Skarbo is the daughter of Mr. and Mrs. B. Skarbo and Mr. Eveson is the son of Mr. and Mrs. H. Eveson of Edmonton.

Three Mission Circles were entertained recently by afternoon auxiliary of Women's Missionary Society of McDougall Church.

Mrs. A. D. Richard presided and welcomed the visitors.

Mrs. S. B. Simmonds, presiding secretary of Mission Circles spoke briefly on privileges of missionary work.

Slides of work in Japan were shown by Mrs. C. Denay and Mrs. W. Townsend.

Home Directors

Send Parcels To Active Forces

Christmas parcels for Canadian on active service will be sent off this week by Board of Directors of Ex-Servicemen's Children's Home it was announced at recent meeting.

Mrs. J. E. Peterson, presiding, received satisfactory reports from Board members.

Plans are well under way for Christmas treats for the children.

WRITER, lecturer and newspaper woman is Mrs. G. B. Rowe who will be in the city Nov. 22 to speak to Quota Club of Edmonton. Her subject will be "The Human Side of United Nations at Work."

Mrs. C. H. Lipsey Holds Tea for Daughter Margaret

Cream roses decked the home of Dr. and Mrs. C. H. Lipsey yesterday when more than 150 guests called to honor their daughter, Margaret.

Miss Lipsey's marriage to Alan Johnson will take place Saturday at 5 p.m. in Koper Church.

Mrs. Lipsey received her guests in a beaded dress of midnight blue with corsage of Taitian roses fastened at her shoulder. Her daughter wore beige matelasse frock with Johanna Hill roses and baby chrysanthemums.

Mrs. H. S. Johnson, mother of the bridegroom, wore a black dress with Sweetheart roses and white chrysanthemums.

Assisting with guests in the afternoon were Miss Wyatt Taylor and Mrs. F. R. Keeling, in the evening Miss Marjorie Wright and Mrs. Hugh Allen.

Cream roses and tall tapered cream chairs to the rear cut work cloth on the tea table.

POURING TEA

Those pouring were Mrs. A. F. Duncan, Mrs. A. F. Smith, Mrs. L. F. Christie, Mrs. A. A. Kelly, Mrs. H. D. Howard, Mrs. J. C. McGregor, Mrs. John Young, Miss Greenwood, Mrs. M. F. R. Bailey and Mrs. W. H. Stimp.

Services were Mrs. Watson Jackson, Mrs. Murray Hamilton, Harry Turner, Mrs. Claude O'Leary, Miss Margaret Fraser, Miss Kathleen Wark, Miss Rhona Corbett and Mrs. Bruce Allison.

Miss Barbara Lipsey and Miss Jean Brestan displayed trousseau and gifts.

Mrs. Hector Adam and Miss Sheila Jackson were in charge of the guest book.

King Edward Park

Communal get-together arranged for Saturday at King Edward Park will include winter drive in community hall at 7:30 p.m.

Film club will meet at 8 p.m.

Motion to raise fees was defeated.

Grant of \$1000 from Tegler Trust will be used to assist needy families requiring emergency housekeeping.

Travellers' Auxiliary To Hold Sale

Homeage sale is being held by the Ladies' Auxiliary to the Associated Commercial Travellers. It will open Saturday at 9:30 at the rear of 903 Jasper Ave.

LUBA Lodges Greet Grand Mistress Here

Three lodges, Western Rose 125, L. J. Strathcona 136 and Queen of... were provided over by... J. Robertson, worthy mistress of Queen of Alberta Lodge.

Following Mrs. William's address, mistresses of three lodges presented... with a gift on behalf of Lodge members.

Mrs. W. Carey and Mrs. C. Cameron... will receive the guests from 5 to 5:30 p.m. at the Hebekah hall, 103 Street.

Mrs. L. Strang and Mrs. E. Morgan... are in charge of the kitchen. Mrs. M. Allard and Mrs. J. Hay are the pillow case stall, Mrs. A. Fleming and Mrs. M. Vipont at... Mrs. T. Ingram and Mrs. J. Ken, candy, Mrs. A. Sande and Mrs. B. Dilling, homecooking, Mrs. M. Darling and Mrs. N. Carmichael, knitted articles.

Pouring tea will be Mrs. D. At... Mrs. B. Davidson, Mrs. T. Gil... and Mrs. H. Galt.

Those serving for shower... are now alive with... color. You'll even see alicia in... printed dresses. And you'll find... good news on the labels: "pre...", "free-restaurant", "no iron... necessary".

Yes, buying curtains today is... more fun than it used to be. But... it takes more know-how.

You'll have to decide which of many materials on the market will... serve you best; cotton, rayon, silk... nylon, glass fiber, Fibre V, or... a new fabric made from acrylic fiber.

You'll also want to be able to... recognize weaves like nylon, mar... quette, organza, tulle, and a num... ber of new novelty fabrics.

Four funsters from Dawson City... gathered around a clock or... yesterday when they were entertained... by St. Catharines Canadian Company Ltd.

John C. Peter, manager, was... host to the four Yukon old-timers. J... ator J. W. Stanbush, and half a... dozen members of the Canadian Women's Press Club.

Oldsters Alex Adams, David P... Janeine John Bice, Andrew B... arrived by Canadian Pacific Air... lines Saturday and were the centre... of a whirl of activity as guests of the Canadian Women's Press Club.

Time-time a chiller, reviewed... around "swinging doors" of gold... fish era saloons, "characters" of... the fabulous decade at the turn... of the century... and what Dawson City is contributing to the world of today.

Senator Stanbush welcomed the... Yukon "florida boys" and spoke... of his delight in their natural apti... tude for "having a good time".

After a condensed tour of the... packing plant, an evening dinn... party and a whirl of fun at the... Old-Timers' Annual Dance, the... fourmen left by CPA for their... northland homes.

House Plants

Watered Easily

Don't bother your friends. To make sure your house plants get water while you're away for the holidays, slip one end of a wet, soil... large cord in moist soil near the plant, the other end is a jar of water. Capillary action will keep the soil and roots moist.

National Soroptimists Offers Scholarship Money

Edmonton Soroptimists, meeting for dinner at the King Edward Hotel, were shown the film "This Amazing America." The film was shown by representatives of the Greyhound Bus Lines.

Arrangements have been completed to entertain the Central group of the Friendship club Nov. 28. Mrs. Kate Lyons and Miss Gladys Reeves are in charge of arrangements.

Mrs. M. Cathill, president, read a letter from the National Union of Netherlands Soroptimist club. The organization offers two Dutch guilders to be used as a scholarship by a member of the American Federation of Soroptimist clubs.

Winner of the scholarship will study in Holland. Purpose of the scholarship is to strengthen ties between the member nations. As well it is a gesture of gratitude for aid given during the war years.

A clerk was presented by K. Lyons, B. Clark and J. Brown.

Later Mrs. B. Jenkinson and Mrs. J. MacMillan, recent brides, were presented with gifts.

in the KITCHEN...

By Jane Scott

Crisp winter air, fresh snow and the promise of holiday festivity spark a party-minded homemaker to hostess planning.

And in spite of broken budgets, high costs for fun and frolic, friends, kith and kin must "get together" for fun and frolic.

Informality is the keynote of present-day entertaining. The hostess of a one-room apartment adjusts the number of guests, the menu, and the service to her quarters.

But the party can be every bit as enjoyable as one held in spacious surroundings. But these informal meals require careful planning if you will make the guests feel at ease and welcome. Even the experienced homemaker plans thoroughly and posts her menu and schedule in the kitchen so she can be a gracious and confident hostess.

Here are some suggestions to smooth the way. Write out a menu you can serve easily. Keep in mind your cooking equipment, serving space, silver, and dishes on hand.

Don't attempt some food that takes too much last-minute work unless your guests are the kind that come to the kitchen and help. Check those recipes to be sure of the number of servings.

Make out the grocery list. Write out a work schedule. When you prepare early and when you serve, your guests are the kind that come to the kitchen and help. Check those recipes to be sure of the number of servings.

Then post the menu and work-plan in the kitchen so you can check it off and not worry about forgetting something. In planning your work-schedule, remember that a guest may be late. If appetizers are to be served before dinner, allow time for them.

If the guests were invited for 7 o'clock, perhaps you'll be wise to plan on serving the main course at 7:30 or maybe 8:00 o'clock. For your first party, be sure the food can be kept in good condition for this uncertain time.

Get out the serving dishes and see if they are the right size. It will help to make out little cards to place on each plate showing what goes on it. In the flurry of serving the meal, you could forget which is which, and what goes where.

OUNCE OF PREVENTION Try to think through every step needed to get the meal on the table. Are the ice cubes ready to use? How about coffee and sugar for the coffee? Are the salad bowls in the refrigerator? Are the rolls wrapped, ready to heat in the oven? Write it on that work schedule! Remember, you are a hostess, not a cook.

You should spend your time with friends.

Bridegroom Gives Pearls As Wedding Gift to Bride

VETERAN, Nov. 16.—Of local interest was the wedding in St. Olaf's Lutheran church here of Gunhild Marie Struensee and William Melena.

Bride is the eldest daughter of Mr. and Mrs. Ole Struensee of Vancouver and her husband is son of Mr. and Mrs. Jack Melena of this city.

Gowned in white satin, bride was given in marriage by her father in a ceremony performed by Rev. P. Olson. Bridesmaid carried her full length veil. She carried red roses and wore double strand of pearls, gift of the bridegroom.

She was attended by her sister Elsie in a blue tulle gown, and Miss Olga Venessau who wore blue tulle, both wore chapel veils and carried bouquets of pink and white carnations.

Miss Young, the flower girl wore a blue tulle gown. The bridesmaids wore white satin with full skirts and light bodices. Mrs. Felt carried white asters, the bridesmaids pink asters with silvered ivy leaves falling to the hem of their dresses.

Christopher Moran was page. Carl E. de la H. Moran, was best man.

EDMONTON BULLETIN, Thursday, Nov. 16, 1934

SUPPER: Mince chicken in gravy on toast, sliced tomatoes, cucumbers and sweet onions, stewed fruit, coconut cream cake, tea, milk.

Alberta Avenue Club Plans Fun

Annual meeting of Alberta Avenue Ladies Lawn Bowling club was held recently.

Mrs. G. McMurtry was elected president.

Vice-president is Mrs. A. Parrish, secretary-treasurer, Mrs. H. S. Bell, games convener, Mrs. W. D. Mowbray, publicity agent, Mrs. William Sheppard.

Members are planning a social evening to be held in Alberta Avenue community hall Thursday evening.

Wear Flowers With Fur Piece

Using a shade flower with fur pieces has caught on this year in the style centres of the world. In New York and Paris the best dressed women are adding a single or double flower to fur pieces, jackets and capes.

Usually a rose or two will do the trick. This is in line with the trend toward color as an accent rather than a basic theme this fall.

Yvettes has found a place of dominance in this year's style picture and here again the small cottage or single flower goes a long way.

Matching the soft texture of velvet here is the gentle, romantic white gardenia or pink camellia.

Sponge Easily Cleaned Again

A sponge absorbs up to 20 times its own weight of water. That's one reason it's such a versatile and convenient cleaning aid.

Add ease of cleaning the sponge itself when you've finished using it—just drop it into boiling water, and it's soon clean and sterile, ready for many more hours of service—and you have a real home hold helper.

Helena Margaret Kidd Weds Robert Angus Langford

Pink and white chrysanthemums formed an attractive setting in Westmount Presbyterian Church recently for the wedding of Helena Margaret Kidd to Robert Angus Langford.

She is the daughter of Mrs. J. Kidd and the late Mr. Kidd, and her husband is son of Mr. and Mrs. Jack Langford, all of Edmonton.

Bride was given in marriage by Mr. Hamilton in a ceremony performed by Rev. John Kelman. Styled on princess lines, her white satin gown was train length. Bridesmaid bore bordered her finest tip veil and she carried a semi-circle of Tullman and Saxe's heart roses.

Miss Bessie McNeill attended her cousin in pale yellow tulle with a beaded lace in her hair. She carried a small bouquet of chrysanthemums.

Sheridan Clark was best man. George Hatfield was usher.

Miss Norma Fowler played wedding music and accompanied the soloist Roy Gully.

Following the ceremony a reception was held at the Macdonald hotel where Mrs. Kidd received in midnight blue with grey accessories and a corsage of pink Brantford roses.

Mrs. Langford chose a small grey for her son's wedding.

After a short honeymoon at Warwick and Veretville, the young couple will make their home in Edmonton.

man, ushers were Col. R. K. Boyd, Major C. A. Bird, Major T. J. Stewart and Captain G. A. Wood. Reception was held at Officers' Mess, where Mrs. Tilton received in purple ensemble with pink heart corsage.

On their return from wedding trip to New York and Washington, Major and Mrs. Milroy will make their home at Fort Monrose.

Roomy Attic Is Thing of Past

Fortunately designers and manufacturers are realizing that the roomy attic is a thing of the past. Cabinets and drawer space are now being designed to house efficiently the many known items that are standard in size and generally used in the same way by different families.

The new storage units are attractive as well as efficient—a shopping tour of your favorite furniture store or department will show you.

Mince Meat Needs Mellowing Time Before Yuletide

Plucky mince pie and steaming plum pudding belong to Christmas as much as mistletoe and holly. And every cook worth her weight in salt should make her own special mince meat and puddings for the Merry Yuletide festive board.

To be at its full-flavored best, mince meat should be prepared three or four weeks ahead of using time—so have a look at this favorite recipe.

MINCMEAT

12 apples, peeled and grated
1 lb. currants
3 lbs. dark seedless raisins, scalded and drained
1 lb. currants
1 cup ready-cut mixed peel
1 1/2 cups light brown sugar
cup any good jelly
2 teaspoons salt
1 teaspoon cinnamon
1/2 teaspoon nutmeg
1 teaspoon cloves
1 cup dried vineg
Juice and grated rind 1 orange
Juice and grated rind 1/2 lemon
1 pink boiled apple cider or lemon juice
1 cup finely grated suet or lard
1 lb. butter, cut in pieces.

Mix all together and stir well. Place over low heat, bring to boil, simmer 10 minutes, stirring constantly.

Place in covered crock or jar, stand in cold place. Makes about 3 1/2 quarts mincemeat.

Here's another edition of the "Mince Christmas" on the festive food list.

Coke, but don't peel, 2 lbs. of apples, chop finely in a chopper. Wash 2 lbs. each currants and seedless raisins, drain and combine with chopped apples in a bowl, creek or enameled container.

Add 1 lb. finely ground suet, free of membranes, 1 lb. chopped mixed citron orange and lemon peel, 1 cup chopped assorted nuts, 1 lb. blanched chopped almonds, 2 teaspoons salt, 1/2 teaspoon freshly ground pepper, 1/2 teaspoon each ground nutmeg, cloves and cinnamon, 2 cups dark brown sugar, 1 cup cinnamon sherry and 1/2 cup each orange and lemon juice.

Sue mixture until well blended. Keep covered and stir well every day.

When mincemeat is ready for use, add cinnamon sherry to taste.

Huge Development Set for Iron Ore

10 Million Tons Yearly Seen In Quebec-Labrador Deposits

MONTREAL, Nov. 16.—(BUP)—Hollinger-Hanna Ltd., manager of the Iron Ore Company of Canada, said today its plants announced plans for a five-year development of the Labrador-Quebec iron ore deposits designed to produce 10,000,000 tons a year.

The program of developing the 400,000-ton deposit of proven ore was described as probably the largest ever undertaken. It will cost \$200,000,000 for the construction of a railroad, townships, power plants and terminal handling and loading facilities.

The company said it contemplates the start of ore shipments in 1955, with the quickly reaching 10,000,000 tons a year.

The announcement, by Jules R. Timmins, president of Hollinger-Hanna, said the capital structure of the company authorizing up to \$25,000,000 of first mortgage bonds, \$40,000,000 of income debentures and \$60,000,000 of common stock. The financing was arranged by a group of New York bankers and by the Canadian firms of J. R. Timmins and Co., Dominion Securities Corporation, Ltd., and Wood, Gundy and Co., Ltd.

SENIOR FINANCING
The senior financing will consist of an initial issue of \$100,000,000 of first and collateral mortgage 3½ per cent bonds, due in 1977. Fifteen American and four Canadian life insurance companies have agreed to purchase the bonds.

The development will include a 280-mile railroad from the ore deposits to the port of Seven Islands on the St. Lawrence River.

Timmins said the plans demonstrated "the steel industry's determination to be prepared to fulfill the requirements of the United States and Canada for this vital commodity" and "regardless of what the emergency may be how great the demand for steel may be."

CONTRACTS LET
Contracts for building the railroad have been let to a group of contractors including Carter Construction Co., Ltd., Montreal; Fred Mannix and Co., Ltd., Calgary; McNamee Construction Co., Ltd., Toronto; and Morrison-Knudsen Co., Boise, Idaho. Equipment is now being moved into the construction will begin before winter.

C. D. Howe Co., Ltd., and Montreal Engineering Co., Ltd., are designing the terminal handling facilities and the hydro-electric development.

Mystery Writer Declared Sane
LOS ANGELES, Nov. 16.—(AP)—Craig Rice, who writes whodunit mysteries, was restored yesterday to legal competency by court order. Judge Newman Conder approved the request to remove her from the guardianship of her 86-year-old father, Mrs. Nancy Rice, so she can sign a lucrative film contract.

Mrs. Rice, 42 and five times married, was committed to a state hospital last year as a chronic alcoholic, but was discharged into her mother's custody last March.

U.S. Telephone Strike Enters Second Week
PHILADELPHIA, Nov. 16.—(AP)—United States telephone strike, marked by flaring tempers on the picket line and a legal tug-of-war over injunctions, today entered its second week with no immediate prospect of peace.

The Bell Telephone Company went to court seeking an injunction that would prevent picketing of the company's exchanges in Philadelphia, scene of two picket-line battles in the last two days. The walkout of Western Electric

Wanted To Be Ship's Captain, Boy Missing

A 14-year-old Edmonton boy who may be headed for the West Coast "to become a ship's captain" is still being sought by police today. Calgary, and particularly Vancouver, authorities have also been asked by the worried father of Richard Decker, 1221-05 ave., to keep a look-out for the youthful would-be mariner who disappeared from his home October 26 after telling

UN Association Member In City To Give Speech

In a world event by the aggressive movements of Soviet Russia, the UN is "man's only hope," declared a top member of the United Nations Association of Canada in Edmonton Wednesday night.

Herbert Mowat spoke from the experience of two years with a UN agency at Lake Success and from close study while an executive member of the association in Canada.

But he warned that the UN's actions must be morally and spiritually right. "The world is too dark for anything but the truth and too small for anything but brotherhood," he concluded.

Tonight Mr. Mowat addresses a private meeting of the Edmonton branch of the Canadian Institute of International Affairs.

Red Burma Entry Is Unconfirmed

RANGOON, Burma, Nov. 16.—(AP)—The Burmese government said today there is no confirmation of a newspaper report yesterday that Chinese Communist troops have entered North Burma, on a short-cut route of southeastern Tibet.

The newspaper Rangoon Daily said yesterday the Chinese had penetrated 50 miles into North Burma's Kachin state.

Increase Shown In Production Of Newsprint

MONTREAL, Nov. 16.—(CP)—Canadian newsprint production in October amounted to 456,443 tons, an increase of 20,702 tons over the corresponding month last year, the Newspaper Association of Canada reported today.

Canadian shipments for the same month were 455,253 tons, an increase of 32,215 tons over October last year.

United States consumers purchased 8.3 per cent of the shipments, an increase of 11.2 per cent over the same month last year.

Olds Mayor Funeral Held

OLD, Nov. 11.—Funeral service was held yesterday in Knox United Church for the mayor of Olds, Arthur A. Dunkley, who died Sunday in Olds hospital.

Born in Northumberland, England in 1889, Mr. Dunkley came to Olds in 1910 and to Alberta in 1911. In 1916 he became manager of Olds branch of Central Creamery and later purchased the business. In 1921 he sold out to CADP.

Elected to town council in 1923, he became mayor in 1926 and served until 1929. He was re-elected in 1930 and served until his death this week.

He was also chairman of Rosebud Health Unit, member of Alberta Health, Survey Committee, president of Union of Alberta Municipalities 47-48, past master of Mountain View Masonic Lodge, past patron of Mountain View OES, member of Portkenton Lodge A.F. and M., former president of Olds Agricultural Society, member of Olds Hospital Board, and Blue Cross committee.

A civic holiday was held yesterday to mourn the Olds citizen. Besides his wife, he is survived by two sons, Chris of Calgary, and Dr. Walter in California; one daughter, Mrs. Ronald Newman of Olds; four brothers, Will of Victoria, Francis of Victoria, Fred of Olds, and Lewis of Edmonton. Cremation took place in Calgary.

TLC Meeting Bans Ten

VICTORIA, B.C., Nov. 16.—(CP)—Some delegates were denied admission yesterday to the opening session of the three-day annual convention of the British Columbia Division of the Canadian Trades and Labor Congress.

It was understood they were barred in line with TLC policy to ban alleged Communist sympathizers from its meetings.

The names were not disclosed but it was learned the delegates were from the Vancouver district. They numbered less than 10, it was reported.

The men were barred by the credentials committee, and E. Gervin of Vancouver, president of the provincial executive, refused to accept a motion to have them seated by order of the convention.

"They did not come here in ignorance," said Mr. Gervin. "Everybody here knows our constitution."

U.S. Telephone Strike Enters Second Week

PHILADELPHIA, Nov. 16.—(AP)—United States telephone strike, marked by flaring tempers on the picket line and a legal tug-of-war over injunctions, today entered its second week with no immediate prospect of peace.

The Bell Telephone Company went to court seeking an injunction that would prevent picketing of the company's exchanges in Philadelphia, scene of two picket-line battles in the last two days. The walkout of Western Electric

Manchurian Entry Not In U.S. Plans

Reds Get Direct Assurance Invasion Is Not Intended

By Edward V. Roberts

WASHINGTON, Nov. 16.—(UP)—Diplomatic circles believed today Communist China will get direct assurance that the United States will not invade Manchuria.

CARRYING two heavy sacks of flour on her head, North Korean woman hurries from storehouse looted during confusion of fighting around Kwangju. Impoverished Koreans, fearing hunger times to come, willingly risk death daily for looting.

A Red delegation now is en route to New York to press before the United Nations Communist China's charge that the United States has been guilty of aggression in Formosa.

Peking has announced that the group will not discuss Korea. But observers here are convinced the United States will take the opportunity to assure the delegates that U.S. forces now fighting in Korea will not cross the border into Manchuria.

This speculation was reinforced by statements yesterday by Secretary of State Dean Acheson and Assistant Secretary Dean Rusk, his operational officer for the Far East.

NO ULTIMOR DESIGNS

Acheson told a news conference that the United States has no ulterior designs on Communist China. He said China's recognized interest in power facilities along the Manchurian border will be protected.

Rusk said this country must find out whether China's aims in connection with Korea are subject to negotiation. Without endorsing the idea, he also alluded to the possibility of creating a buffer zone along the Manchurian boundary.

The presence of the Chinese Red delegates at the UN will mark the first opportunity that the United States has had to contact directly representatives of the Communist regime in Peking.

Youthful Dalai Lama To Be Given Full Powers

BRIDGE

Look for Different Lines of Play

By OSWALD JACOBY

In some hands the declarer's problem is to choose between two plausible lines of play. Perhaps one line will work and the other won't. Careful reasoning will usually lead to the successful method.

In the hand shown today declarer played the hand by "general direction" instead of thinking it out carefully. The result didn't please him.

West opened the ten of clubs, not suspecting that South had a concealed long suit. Dummy put up the queen, East covered with the king, and South won with the

act. Declarer's next step was to finesse the queen of diamonds, losing to East's king.

East realized that his partner had opened a short club suit, so he knew that declarer had ten high cards. East, an expert, knew that South couldn't lose the hand if he played it properly. The only possibility was to give South a chance to strike out in the wrong direction. Hence East returned the king of hearts, forcing out dummy's ace.

South noticed that he could get a discard on the ace of diamonds if he went at it snappily. He didn't bother to wonder whether it would do him any good to discard one of his long clubs. He led a diamond from dummy to get his jack out of the way. Then he gave up a club trick to East.

East followed through on his plan by leading the queen of hearts, forcing South to ruff. When South then led a third round of clubs, ruffing in dummy, West hastily got rid of his last heart.

At this point South was dead, although he didn't know it. He proudly discarded a club on the ace of diamonds and tried to get back to his hand by ruffing a heart. West over-ruffed and led back a low diamond. Dummy discarded a heart and East carefully ruffed with his eight, forcing South to over-ruff with the ace.

And now if declarer drew West's

U.S. Turns Down Aluminum; Slow Delivery Claimed

WASHINGTON, Nov. 16.—(AP)—

Government officials explained yesterday why the United States turned down a chance to buy 200,000 tons of aluminum from the Aluminum Company of Canada.

"They said: 'Only 20,000 tons of it could have been made immediately. Most of the offered 200,000 tons would not have been produced until 1952 or 1954, yet the Canadian company wanted the United States to agree to buy the entire amount.'"

remaining trumps, dummy would be left with a losing heart; and if he didn't draw trumps, West would win a trick by over-ruffing.

South's line of play would have been sensible enough if his spade cards in trumps had been headed by the ten or ten-diamond. Since he actually held miserable small trumps, it should have been clear to him that a crass-cut would surely expose him to over-ruffs. Hence he should have concentrated on establishing his long clubs.

For the purposes of this plan it was pure midsummer madness to lead a diamond to the jack, after having the ace of hearts. The correct play was to return dummy's last club at once.

East would win and lead a second round of hearts, making declarer ruff. Now South would ruff in dummy, draw two rounds of trumps, and then get back to his own hand with the jack of diamonds. This would enable him to draw West's last trump with the ace. South could then well afford to give up one club to East, after which his last club and last trump would win the rest.
